Project

Field(s)	Interdisciplinary
Description	The “EUROPEAN NETWORK OF CREATIVE RURAL AGENTS” Project aims to promote a Network that offers protagonism and the opportunity to participate to the rural inhabitants themselves and educational, cultural and artistic professionals, as collective Managers of European Local Culture. This initiative intends to incubate new artistic projects, through a cultural showcase, merging traditional and modern artistic practices, from an avant-garde perspective, where the incipient cultural talent of the European rural territory, in different possibilities of artistic manifestation, is valued.
